## AUTOMOBILE SHOP IS KEPT BUSY

Representatives of the Packard Motor Car Company at Detroit are making a systematic canvass of neighboring states in search of skilled mechanics. Among the Ohio towns visited thus far are Cleveland, Erie, Youngstown, Niles, Warren, Akron, Columbus, Springfield, Dayton, Hamilton and Cincinnati. Other cities in the itinerary are Indianapolis, Milwaukee, Michigan City, South Bend, Lansing and Flint.

The Packard shops are working up to their day capacity of over five thousand men and it is the purpose to increase the night force to about one thousand. Most of the night work is in the machine shops and the forge.

Thus far the factory has been unable to keep up with sales, the orders for 1912 exceeding those of any previous season. Sales of trucks in May were the largest in the history of the company and if the present rate is maintained another new record will be established for June.
